PREFACE

This catalogue describes such a varied assortment of coins, fine medals and fractional currency that we believe every collector receiving a copy of it can, on careful perusal, discover some item of interest to him, and under this belief we trust we shall have a larger number of bidders than usual.

The fine and rare U. S. Gold, the very rare proofs of U. S. Currency, differing from any we are aware of having been offered previously; the two splendid coins, New York NON VI VIRTUTE, and New Jersey IMMUNIS COLUMBIA 1786, should command more than passing notice. Collectors in making out their bids will please exercise care to see that they are placing on their bid sheet the number and price correctly—there are errors made at every sale and the bidder is generally unwilling to be the loser from his own carelessness. Remember that no lot is divided and that all are *sold at so much each piece*—the only exception being U. S. proof sets, where the word set terminates the description. Above 50c. the advance is 10 per cent. on each bid—*i. e.* 55c., 60c., $1.10, $2.25, etc., *not* 51c., 79c., $1.09, etc. Bids are examined on their receipt and where there is time for a reply to be received we write the bidder, for which we are often thanked for the information imparted, correction of errors, etc. We charge 10 per cent. on the *amount purchased* for attending to and executing bids and we can assure collectors that it is well earned money. Entering the bids and bidding them at sale, packing and forwarding those purchased and assuming the responsibility of the purchase, both as to the genuineness of the coins and the amount of the bill, are no light matters.

Every coin or medal sold by us is guaranteed genuine, and this holds good indefinitely.

Catalogues marked with the prices each lot sold for will be supplied after the sale for 40c. Please remit in stamps with order.

Collectors who know of reliable persons that would like catalogues sent them, will confer a favor by sending us their names. Anyone receiving this catalogue who is not interested in coins, will please drop us a postal so that their name may be removed from our mailing list.

Very respectfully,

S. H. & H. CHAPMAN,
